**Websites**

• [www.arocha.org.uk/livinglightly](http://www.arocha.org.uk/livinglightly) - A Rocha UK’s sustainable living programme, with lots of ideas and advice on food.

• [www.growzones.com](http://www.growzones.com) – teams of local people helping in each other’s gardens to begin growing fruit & vegetables – with a grow zones kit available via the website. This scheme is the brain-child of Rev. Chris Sunderland from Bristol.

• [www.agriculturalchristianfellowship.org.uk](http://www.agriculturalchristianfellowship.org.uk) – is open to all Christians interested in farming, horticulture and food-growing. ACF is involved in giving a biblical understanding, providing fellowship and support to farmers, and in evangelism in the farming community.

• [www.arthurrankcentre.co.uk](http://www.arthurrankcentre.co.uk) is a focus and resource for Christian churches in rural areas through sharing good practice, providing training, and chaplaincy to the Royal Agricultural Society of England.

• [www.farmstay.co.uk](http://www.farmstay.co.uk) is the place to look if you’re interested in staying on a farm.

• [www.greenchoices.org](http://www.greenchoices.org) – web portal with links to dozens of useful websites

• [www.makinglocalfoodwork.co.uk](http://www.makinglocalfoodwork.co.uk) - seeks to support community food growing initiatives by providing advice and support

• [www.organicgardening.org.uk](http://www.organicgardening.org.uk) – the national charity for organic growing

• [www.farmersmarkets.net](http://www.farmersmarkets.net) – find your nearest farmers market

• [http://conspiracyoffreedom.org](http://conspiracyoffreedom.org) – Four short videos & other resources from the excellent ‘Breathe’ network including one on ‘Enough’

• [www.archbishopofcanterbury.org/1374](http://www.archbishopofcanterbury.org/1374) - Archbishop Rowan Williams on ‘God Doesn’t do Waste’

• [www.srfood.org](http://www.srfood.org) – UN Report on Agro-ecology and the Right to Food (arguing strongly that a more eco-friendly approach to farming could double food production in 10 years in many poorer countries, as well as tackling climate change and biodiversity loss.

• [www.flourishonline.org](http://www.flourishonline.org) - American Christian-based creation care website

• [www.viacampesina.org](http://www.viacampesina.org) – La Via Campesina is an international movement in 70+ countries, bringing together 200+ million peasants, small farmers, landless people and agricultural workers. It defends small-scale sustainable agriculture and strongly opposes corporate driven agriculture and transnational companies that are destroying people and nature.
