

“For over 20 years I have been an enthusiastic supporter of A Rocha, having seen its practical and educational work around the world. A Rocha is, in my judgement, a very fine organisation which is worthy of our support.”
Rev. Dr. John Stott

“The planet is in crisis. A Rocha offers biblical and scientifically-based practical hope. I strongly support their work, and encourage you to do the same.”
Steve Chalke MBE, Founder of Oasis Global and Faithworks

A Rocha... we're passionate about the planet... and we'd love to work with you!

In A Rocha we believe we can all make a difference, with a little help from our friends.

We help individuals, groups, churches and communities think about their use of the environment and help them to develop practical ways to care for people and the planet, both locally and globally.

We've been doing this since we started in 1983 in Portugal (where A Rocha means 'the rock'). We're motivated by our biblical belief that this is God's world, entrusted to our care, and we welcome anybody who cares about the planet to work with us.

Get inspired, get informed and get involved - see what you can do to change the world!

A Rocha Friends

Through our projects and our growing national network of **A Rocha Friends**, we aim to provide information, support and opportunities for everyone to be involved in caring for God's world. From making small changes in our own lifestyles to volunteering at one of A Rocha's practical projects, there is something for each of us to try.

Our lifestyle project, **Living Lightly**, gives ideas and tips on how to live more sustainably in God's world.

Our **Partner Church** scheme and **Eco-congregation** are great ways for churches to be involved in thinking about their use of the earth's resources and in making a positive difference to the communities that they are a part of.

We have a growing network of **projects, community groups and local events**. There could be something happening near you where you can meet new friends, take part in a practical activity and find out what you can do for your community and God's world.

A Rocha works **internationally**, with a range of diverse practical projects in 18 countries around the world. We welcome support for A Rocha's practical work, at home and abroad, through your donations and prayers.

Becoming an **A Rocha Friend** is free. We will send you a booklet about A Rocha, our magazine 3 times a year and our monthly enews so that you can learn more, find out what others are doing and be inspired to join in.

Visit our website arocha.org.uk **or contact us by using the attached Freepost response form**
